**PLEASE PRAY FOR THIS WITNESS EVENT...THANK YOU**

I am having difficulty finding enough strong men/women to carry the body of "Jesus" through the High street on Good Friday and the rehearsals start on Monday 12<sup>th</sup> March. I am still hopeful that you will be able to find some people, but if we really cannot find 4 good strong wo/men, I am also wondering if we can "push" him along on a trolley – as they did Billy Graham's coffin last week. I am reluctant to give up the carrying because the high street is so full of shoppers by the time of the final procession and it is such an excellent witness. But if needs must, as an alternative, can you ask if anyone can access an "old" hospital trolley (not a new one because they have too many safety devices to be able to cover them up with cloth) but an old one – along the lines of the attached photograph. *Organiser : Good Friday Walk of Witness Churches in Croydon*
