SQUARE YARDS OF TURF

Thank you for supporting The Friends of Harmon Field! Our goal is to create a facility our community and district can be proud of, rivaling that of other Greater Western Ohio Conference schools. This vision will support football, soccer, band, track and field, PE classes and will create far reaching opportunities for the community and other outside groups.

Your kind donation will help enhance our outdoor facilities to mirror the quality of excellence our district has provided in our classrooms and buildings.

Gifts to The Friends of Harmon Field are tax decutable to the extent permitted by law. Please consult your tax advisor for more details.

The cost of each square yard of turf is \$100. By purchasing a square yard of turf you will be the honorary deed holder for a square yard of turf.
