Do you have.....?

- A road legal self-contained house truck, house bus or motorhome?
- Do you have a positive attitude and get along with people?
- Are you prepared to make a commitment for a season from Whangarei to Invercargill? North Island? South Island? Both?
- Do you have a vision for your stall? Will you dress up your stall, vehicle and self to fit our Gypsy Theme?

- A product to sell? All our stall holders have a core product that is theirs to sell. We have some small overlaps but not on core products.

If you said "YES" to all of the above then please ring or email us.

We can help you with product lines, and anything else you need to know.

Your application will be confidential and will only be discussed within our trust board and we will get back to you asap.
