

ROCK OF OUR SALVATION

Key: D

VERSE 1

When I am shaken, when I am lost
You're always waiting, here at the cross
In every shadow, You never change
Christ my foundation, again and again

CHORUS

My life is built forever in you Jesus
Faithful one, you're strong when I am weak, You are my hope
And you're the rock I'm standing on

Verse 2

Lord I will trust you, Don't let me fall
You are my lifeline, My saviour, my all

BRIDGE

Before a word was spoken, The hands that held creation
Were wrapped around my heart
Before a day had broken, You set your love in motion
Forever you are faithful, Jesus you are faithful
Jesus you are faithful, The rock of our salvation

ALT CHORUS CHORDS

My life is built forever in you Jesus
Faithful one, you're strong when I am weak
You are my hope
And you're the rock I'm standing on
