

# YOU ARE THE ONE THING

Key: E

## VERSE 1

C#m A F#  
Every day I'm falling short  
And every day I fall apart  
C#m A F#  
Undeserving of the love shown  
By the Father's heart

C#m A F#  
I'm a ship without a sail  
And my own efforts fail  
C#m A F#  
But you always save me

## CHORUS

A B C#m E  
So here is my heart Lord, I throw it wide open  
A B C#m F#  
You are the one thing, I put all my hope in

A B C#m E  
So here is my heart Lord, completely surrendered  
A B C#m F#  
You are the one thing, I put all my hope in

## VERSE 2

Every day I'm holding fast  
Every day I'm trusting more  
When I feel I'm lost at sea  
You bring me back to shore

I'm a ship and you're the sail  
With you I cannot fail  
You always save me
