

SONG FOR A DREAMER

Key: C

INTRO: G Dm Am C

VERSE 1

G Dm Am C
Falling through the motions, not lost but in between
G Dm Am C
Is everything I've ever loved part of this machine?
G Dm Am C
I would only need a glimpse of what is yet to be
G F Dm C
So I can dare to dream
G F Dm C
I can dare to dream

VERSE 2

Frozen in the moment, I'm lost without the noise
I know you're there, but I don't seem to recognize your voice
I've been sitting, waiting here for you to set me free
So I can dare to dream
I can dare to dream

BRIDGE

Am F G Dm
Wake Up Dreamer
Am F G Dm
Don't sleep tonight
