

March Edition

from the Starfish UK & Malawi Teams.

Here at Starfish Malawi, we have many volunteers doing incredible work in their own time and trusting in God for their finances and ability to help the poor and needy in Malawi.

The UK team are busy helping to facilitate those working out in Malawi and keeping the schools linking and sponsorship programmes running effectively.

We have two new members joining our Malawi team this month and we thought you'd like to meet them.....

Ali Beckett

Ali will be joining the team in Malawi from the 27th March. She says "God has made it clear that now is the right time for me to go back to Malawi. I will be helping in the four nursery schools that Starfish is involved in, working alongside the teachers helping to encourage and equip the oldest children in their learning and give them a head start as they enter Grade One in Primary School in September 2018."

Student Sponsorship Story

Richard Chingapa is a young man who is determined to succeed in the face of the most difficult circumstances.

Richard, an only child, was orphaned when his mother died in 2002 and his father in 2008. He went to live with his uncle, who worked in the local market....
