What is a Creative Catalyst?

“Creative catalysts are those who may not be full time artists, but desire to contribute to creating an enduring shift in the culture.” (Makoto Fujimura) My desire is to bring encouragement and spiritual nourishment to artists, renewal in our churches and the flourishing of our culture through the arts. My role is two-fold: Europe Ministries Director of A.C.T. Intl and the Founder/Director of ArtsCharlotte. I welcome you to join me in this calling from God.

Will you join my partnership team?

In 50+ years of ministry, I’ve never known God’s clear direction as I have in this past year. There is much to be done. I’m praying for 30 people to join my support team as part of God’s provision for the success of this work. Please prayerfully consider what you can give.
