Ministry of Dr. Dianne B. Collard

September 2016

Expanded Version Completed

The goal of the summer focused mostly on WRITING as I sequestered myself in the mountains. I'm pleased to report that the expanded version of *I Choose to Forgive* was finished and the manuscript was sent to the first reader. I believe it is a powerful and unique book. Not only does it include my journey of forgiveness, but it updates all God has done in our story since the original book was written and includes chapters by Glenn, Wendy and the man who killed our son. Can you imagine—forgiveness journeys from a mother, father, sister and the murderer's perspective!

I have started the second book: "God—the Original Abstract Artist" (working title). It also chronicles my journey that began with Tim's death, but has a very different focus.
