The beautiful **Murlough House**
We'll be staying here. Built in the 1800's.

This isn't your average trip to Ireland.

It's a pilgrimage that includes meditation, prayer, fellowship and worship.

Dianne and I have created a powerful spiritual experience, yet affordable. Patrick was the first Missionary Bishop to take the gospel outside the Roman Empire. This is a week to explore and reflect on his life.

We'll finish the trip in Dublin where you can choose to do things of your own interest.

Ireland is a wonderful place. Come see the reason it's called the *Enchanted Island*.
