Lead every time you speak.

The Humphrey Group
Imagine if you could lead every time you speak. The Humphrey Group’s mission is to help you do just that. We’ve been pursuing this mission since our establishment in 1988.

We are a global leadership communication firm solely focused on helping our clients communicate with confidence and clarity.

We work with leading organizations around the world. These include Fortune 500 companies, governments, not-for-profits and entrepreneurial start-ups.

We collaborate with clients, thought leaders, learning partners and colleagues. The work we do is driven by our strong partnerships and built on our values of integrity, professionalism, leadership and the highest standard of excellence.

Our vision is a world where every person, regardless of their role, can communicate with clarity and confidence. We strive to make that vision a reality every day and in every program we deliver.
WHO ARE WE?

We're passionate about the skills we teach and the experience we create for you.

OUR VISIONARY LEADERSHIP TEAM
collectively has over 70 years of experience with The Humphrey Group. They're invested in the development of the firm's intellectual property and committed to realizing our vision on a global scale.

OUR DEDICATED RELATIONSHIP MANAGEMENT TEAM
builds partnerships with clients and designs custom solutions. They treat every engagement as an opportunity to learn about your business and tailor a program to meet your needs.

OUR DYNAMIC CLIENT SERVICES TEAM
manages all your training needs from start to finish. They work closely with our instructional team to ensure your program is delivered with flawless attention to detail.

OUR DIVERSE INSTRUCTIONAL TEAM
has backgrounds that include:
- Teaching
- Acting
- Sales
- Business

Combining their skillset with our proprietary communication methodology, we develop instructors and coaches uniquely suited to teach leadership communication.
WHY WE’RE DIFFERENT

A proven communication methodology that can be immediately applied and ultimately sustained

Learning from design and communication experts who tailor programs that are specific to your needs

Flexibility in our delivery formats - Online, onsite, anywhere

End to end client service support

Thought leadership: A range of publications and podcasts.

"I had an opportunity to take an executive coaching program with The Humphrey Group. My coach taught me the principles of inspirational communication and helped me to apply them to real situations. As I have progressed in my career I often find myself recalling principles of this program and using these to engage teams, understand challenges and bring ideas and strategies forward confidently."

- Borika Vucinic, Vice President, Bell Media Network
IDENTIFY THE COMMUNICATION NEEDS OF YOUR TEAM

Whether your communication opportunities come by way of PowerPoint, keynote, elevator pitch, townhall, impromptu discussion or watercooler chat – we have programs to equip you with the skills you need to influence every time you communicate.

SELECT THE PROGRAM THAT MEETS YOUR NEEDS

Every organization is unique, so we apply our experience and expertise to your specific needs. We invest time in learning your business and specifically, your communication challenges and opportunities. Our goal is to create an experience that will take your leadership to a whole new level and drive business success.

CHOOSE YOUR METHODS OF DELIVERY

Our methodology, inclusive learning environment and world-class facilitators all come together to deliver a transformative learning experience unlike any other. Each of our programs will allow you to maximize your leadership potential through holistic, applied and collaborative learning experiences that provide personalized feedback.

“ The Humphrey Group's communication training taught me how to convey my thoughts in a manner that touches my audience by being authentic, acknowledging the issue and setting a call to action. The quality of the instructors and their personal coaching makes all the difference. ”

- David Markwell, SVP, Information Technology, Loblaw Companies Limited

HOW WE DELIVER

IN-CLASS LEARNING
Our in-class learning approach allows you to practice and apply our guiding communications methodology and receive instructor feedback. Training can be delivered at your location or through our public program offerings.

ONLINE LEARNING
Through virtual coaching, interactive whiteboard video tutorials and live webinars, we have learning solutions that are adaptable to your location and schedule.

LICENSED PROGRAMS
Licensed programs are brought in-house through a Train-the-Trainer model. This enables your organization to reach a large scale global workforce. By bringing the program in-house you will harness the power of our unique methodology to build leadership communication skills at all levels.

EXECUTIVE COACHING
Our executive coaching programs are broadly focused on leadership communication. These one-on-one sessions are tailored to position you for success on every stage through rigorous and rewarding learning experiences.

KEYNOTES
We share our knowledge and expertise in the area of leadership communication through keynote speeches tailored to your audience and event.
