MAINS

You can choose multiple mains for the base \$10/person. Just give us a head count for each. Roasted Chicken adds \$2 per person..

Craft FRIED CHICKEN

Each piece of our craft fried chicken is dry rubbed with a house mix of herbs and seasonings, sits for 24 hours, and is then hand breaded & fried using buttermilk and our house recipe breader. Treat it right, and our chicken will be just as crispy the next day. You'll receive a mix of breasts, wings, thighs, & drums.

Boneless FRIED CHICKEN

The boneless version of our fried chicken. Each piece gets the same love as our traditional fried chicken—first sits for 24 hours in our house made dry rub, then is hand breaded and fried with buttermilk and our house recipe chicken breader.

Vegan VEGGIE BIRD

Our vegan fried "chicken" gets the same love as the traditional bird. Each piece is made from scratch using fresh vegetables, whole grains, herbs & seasonings, then breaded using coconut milk and our house recipe breader & fried in our totally vegan deep fryer.
