Comments

Thank you for being a part of the first Woburn Challenge in over a decade. We've worked hard behind the scenes to ensure that the contest went as smoothly as possible. Of course, it all paid off when we got to witness all of your eager submissions to the problems.

For this round, we had 178 registered competitors from over 29 schools. There were 6 perfect scores in the senior division and 3 perfect scores in the junior division. The problems had varying difficulties, and hopefully there was something that challenged every one of you. If not, look forward to even more challenging puzzles in the rounds to come.

The senior division prizewinners for this round are:

1. **Timothy Li** of Don Mills Collegiate Institute (\$200)
2. **Ahmed Sabie** of Glenforest Secondary School (\$100)
3. **Jeffrey Xiao** of University of Toronto Schools (\$50)
4. **Bill Zheng** of Richmond Green Secondary School (\$50)
5. **Brian Chau** of Woburn Collegiate Institute (\$50)

The junior division prizewinners for this round are:

1. **Sunny Lan** of Richmond Hill High School (\$50)
2. **William Huang** of Woburn Collegiate Institute (\$25)
3. **Jamie Pinheiro** of St. Francis Xavier Secondary School (\$25)

Congratulations to all of you! These prizes will be distributed as Mastercard gift cards, and we will be contacting your teachers shortly about sending them out. If you haven't won a prize, keep on practicing! We have many more prize opportunities for you throughout the year.

Problems and solutions for this round are now posted at: woburnchallenge.com/past-contests. Once again, we thank all of you who participated, as well as teachers for sharing this with your students. Stay tuned for further dates on our website and see you at the next round in December!

Sincerely,
The Woburn Challenge Team
October 20, 2015
