Thank you all who joined us for the Woburn Challenge 2016 on-site finals! After an unbelievably tight race, Richmond Green Secondary School managed to edge out the valiant competition from Don Mills Collegiate Institute (by merely 1 point within the last 6 minutes of the contest!) to ultimately secure first place in the senior division. Meanwhile, Thornhill Secondary School clinched their own champion spot in the junior division. Though this was arguably our toughest contest of the year, we believe that there was something in the questions for everyone.

The senior division prizewinners are:

1. **Bill Zheng, Josh Jung, and Henry Gao** of Richmond Green Secondary School (\$250)
2. **Timothy Li, Patrick Au, and Kevin Wang** of Don Mills Collegiate Institute (\$200)
3. **Jason Yuen and William Wen** of Pierre Elliott Trudeau High School (\$150)
4. **Jason Kuo and Robert Cummings** of A.Y. Jackson Secondary School (\$75)

The junior division prizewinners are:

1. **Max Li and Alexander Kursell** of Thornhill Secondary School (\$150)
2. **Kevin Wang and Saswata Gupta** of Glenforest Secondary School (\$100)
3. **Alexander Shah and Callum Moseley** of Richmond Hill High School (\$75)

Congratulations! Problems and solutions are now posted at: [woburnchallenge.com/past-contests](http://woburnchallenge.com/past-contests). Once again, we thank all of you who participated, as well as teachers for sharing this with your students. We would love to hear your feedback about how to improve for next year, so please send them to [woburnchallenge@gmail.com](mailto:woburnchallenge@gmail.com). That said, we hope you enjoyed the last round of the season and look forward to bringing you many more exciting challenges in the years to come!

That's all, and stay tuned in September for news about our 2016-2017 season.

Sincerely,  
The Woburn Challenge Team
