CROP & PRODUCT LIST

Vendor Name: _____

Physical address (site of production): _____

The following is a list of crops that I will grow on my farm or produce in my certified kitchen at the above address to sell at the BHSFM in 2017. I understand that any product that is not listed here may not be sold at Market. Any of the following may be included: raw fruit and vegetables, fresh or dried flowers, herbs, cultivated mushroom, honey, eggs, lobsters, shellfish and Market approved. If you are planning to sell eggs, the Health Agent will want to see that they are cleaned and stored below 45F. Please list products and the time frame you expect to make them available. Added Value (processed) Foods need pre-approval from the Brewster Board of Health and also must be listed in order to be sold at the market. EGGS, LOBSTER & SHELLFISH: Please indicate plans to keep below 45F to and during Markets. HONEY: Please indicate plans for jar sterilization and labeling.

LIST OF CROPS & PRODUCTS

All Vendors Please Sign! I have read and will abide by all rules and regulations listed in the BHSFM Handbook and I understand that any product I have not listed here may not be sold at the market without the approval of the manager.
