

that's what I got for now

we used to say,

 Couldn't he just work harder?

 so smart

 Gosh

there seems to be a bow to

a fat album

the ultimate inside joke—

 fame makes it hard

 I guess I shouldn't laugh

Freestyle, PLEASE

 admit failure to worship at the altar of any other thing

 A strong vibe is a nomination to leave some things be.

 are Real Friends out of style already?

When an asshole almost reaches for something you wonder if it hands anything over.

 There is something he understands,

 but it's not Bleach

 it turns out to feel like

 Gospel.
