

# Things that PIST me the FRICK off

SPECIAL EDITION :

## ❖ A RANT ABT THE LIFE OF PABLO ❖

ok so I am NOT here to talk abt Kanye being wild this week--which he was omg, plz do not get me started.

No, I am here to complain specifically abt THE LIFE OF PABLO, an album that exists to ruin my life.

First off, we can all agree, Kanye is at his least cute and he needs to sit down for a minute. Maybe lie down. Take a break. Drink a chamomile tea.

LET ME BEGIN BY SAYING I AM A SUBSCRIBER OF TIDAL NOW BC I HAD TO LISTEN TO THIS G D ALBUM I AM SO PIST I AM A COG IN THE MACHINE. NOT WORTH IT.

I was never this passionate abt anything I downloaded illegally

1. WTF happened to WOLVES? That song was MAD LIT w my girl Sia on it but Yeezy was like hehe no, it's my turn to sing. Guess what? He can't sing at all. ALSO he made the song abt bitches n stuff andraps in the middle and I must inquire Ye: "who asked?" ALSO WAY TO WASTE FRANK OCEAN

WE HAVE BEEN WAITING FOR A FRANK ALBUM FOR YEARS AND HE IS BUSY GIGGLE DICKING AROUND GETTING TAKEN ADVANTAGE OF BY KANYE. Ok

2. Um that Jumpman song...all I can say: wtf?! Kanye is SHOUTING abt Nike losing money. TBH I DOUBT NIKE CARES. NIKE IS DOING JUST FINE. NIKE IS JUST DOING IT ALL ACROSS THE GLOBE. Adidas is only popular now bc some white ass fashion blogger decided to wear a pair of superstars one day. Also ya, mad props to kimoji, but kanye...shhhh

3. THE LINE ABOUT HELPING ROB KARDASHIAN WITH HIS WEIGHT:**\*news flash\*** the boy is STILL a tubzo. so way to take credit for a failure. whatever.

4. Ultralight beam. NOW. This song was A+ 10/10, but not bc of yeezy. shouts out to chance for truly BRINGING it in this song. nothing else to say

5. WHY DID HE BRING ANDRE 3000 ON TO JUST HUM IN THE BACKGROUND? TO HURT ME? THAT WAS SO FCKING RUDE TO US ALL AND BLASPHEMOUS

6. he is a monster and he tinkered on this album for so long and it could have been like, idk, SIX songs. it was EIGHTEEN.

7. claps 4 chris brown and the weeknd and rihanna and kid cudi bringing it even tho kanye wasted a lot of talent on this t b h

8. there were SO MANY producers and NO ONE STOPPED KANYE. not even a hiss from cashmere cat

9. I am going to b real, gr8 introspection on I Love Kanye. bc u know what? I DO love the old Kanye. the pink polo was a gr8 look and he smiled so much and you know what? the man has GREAT teeth that were likely expensive, so he might as well show them off.

10. is it too much to ask to bring back the shutter shades? never forget that it was kanye that made that happen.

p.s. he literally states that he wishes his dick had a gopro which is a hilarious concept, but could change the face of medical research for the better
