Audition Information:

Rotating slates of 2 curators from the Bellingham community select works for each showcase by audition. Please complete the Application Form to obtain an audition. There are a limited number of audition slots and one must send in the required form to be eligible. The potential exists for more requests than we can accommodate, so the sooner the form is received the better. We welcome works from a variety of art disciplines. You are responsible for providing ALL additional tech needs for your piece, including, video monitors, props, mics/sound equipment etc. at the audition. You must arrive at least 15 minutes before your audition time.
