By signing this contract Purchaser acknowledges receipt of a copy of the Builder's Limited Warranty prior to or at the time of signing this Contract and that Purchaser has been afforded an opportunity to review it. Purchaser agrees that said Warranty is in lieu of all other warranties, statutory or otherwise, expressed or implied, all other representations made by Seller and/or Seller's agent and all other obligations or liabilities with respect to said property. Implied warranties of merchantability and fitness are specifically excluded, and the Seller's obligation shall not exceed its obligation as set forth in said Warranty.
10. **BINDING ARBITRATION:** Any and all claims, disputes and controversies by or between the Purchaser, the Seller, the Seller's Warranty Insurer and/or Professional Warranty Service Corporation, or any combination of the foregoing, arising from or related to the Warranty, to the subject Residence, to any defect in or to the subject Residence or the real property on which the subject Residence is situated, or the sale of the subject Residence by the Seller, including without limitation, any claim of breach of contract, negligent or intentional misrepresentation or nondisclosure in the inducement, execution or performance of any contract, including this arbitration clause, and breach of any alleged duty of good faith and fair dealing, shall be settled by binding arbitration. If the title is good and Purchaser shall fail to pay for the property as specified herein, Seller shall have the right to elect to declare this contract null and void, and upon such election, the earnest money shall be retained by Seller as liquidated damages. The right given the Seller to make the above election shall not be Seller's exclusive remedy, and either party shall have the right to elect to affirm this contract and enforce its specific performance or recover full damages for its breach. Seller's retention of such earnest money shall not be evidence of an election to be credited against damages actually sustained.
15. **COMPLETION AND INSPECTION:** Purchaser agrees that the direction and supervision of all workers on the Residence, including subcontractors, rests exclusively with Seller, and Purchaser agrees not to issue any instruction to or otherwise interfere with workers. Purchaser further agrees not to contract with Seller's subcontractors or to engage other builders or subcontractors for any work on or about the Residence except after closing.

Purchaser shall at a designated time set prior to Closing Date, completely inspect the Residence with Seller's Warranty Supervisor. Purchaser and Seller shall agree in writing, those items that will be repaired or completed by the Seller within a reasonable time, and upon execution of said agreement, Purchaser will have accepted the Residence and acknowledged that the Residence was constructed pursuant to this contract except as set out in said agreement.

It is understood and agreed between the parties that Seller shall be deemed to have performed this contract as to construction of the improvements herein above described when it shall have obtained the final inspection thereon from the VA and/or FHA and/or the applicable code enforcement department. Time being of the essence, Purchaser agrees to immediately close the said loan and purchase the above described property within forty-eight (48) hours after all conditions listed in Paragraph Number 6 (CLOSING) have been met and the Seller advises Purchaser that the property is ready for closing. A charge of \$100.00 (one hundred dollars) per day shall be assessed against the Purchaser for every day after the forty-eight (48) hours Purchaser fails to close this sale in order to reimburse Seller for the cost of holding this property by the Seller for the Purchaser. Request for changes and/or extras beyond this ten (10) day period are subject to a change order fee of \$150.00 (one hundred fifty dollars). Changes may not be possible due to scheduling or ordering deadlines. Changes are at seller's discretion and are discouraged. No verbal changes made with seller or seller's agents or building superintendents shall be valid- all selections or changes must be in writing and signed by purchaser and seller with date of change. In no event shall seller guarantee any selection of materials and all changes and extras must be paid for in full by Purchaser at time of written agreement. In the event Purchaser fails to close the sale for any reason, Seller shall retain all funds paid for said extras without reimbursement to Purchaser. Highly customized features/selections will be subject to additional fee.

23. **COSTS AND ATTORNEYS FEES:** Should any party to this contract bring an action against any other party to this contract to enforce any claim hereunder, or as the result hereof, then the prevailing party or parties shall be entitled to recover all costs of said action and reasonable attorney fees. For the purpose of this provision, party is defined as and includes Purchaser, Seller, below indicated Real Estate Brokers and participating agents. The term prevailing party as used in this paragraph shall be defined as the party or parties to whose favor a court shall rule for or against whom no relief is granted.
24. **GRADE OF LAND:** Purchaser hereby agrees that Seller has no representations regarding the final grade of the lot after the completion of the construction of the Residence, and Purchaser recognizes that the final grade and configuration of the Residence on the lot will be dictated by Seller's construction practices and may vary from that of any model viewed by Purchaser. Seller does not warranty sodding, seeding, shrubs, trees and plantings.
25. **MOLD NOTICE, DISCLOSURE AND DISCLAIMER:** Mold growth requires moisture. Moisture is the only mold growth factor that can be controlled in a residential setting. By minimizing moisture, the Purchaser can reduce or eliminate mold growth. All molds are not necessarily harmful, but certain strains of mold have been shown to have adverse health effects in susceptible people. The Purchaser can take positive steps to reduce or eliminate the occurrence of mold growth in the home, and thereby minimize any possible adverse effects that may be caused by mold. Whether or not the Purchaser experiences mold growth depends largely on how the Residence is managed and maintained. Seller's responsibility is limited to things that can be controlled. As explained in the Warranty, provided by separate instrument, Seller will repair defects in construction for a period of one year (see warranty documents for specific details, considerations, exclusions and specific terms). Seller will not be responsible for any damage caused by mold, or by some other agent, that may be associated with defects in construction, including but not limited to property damage, personal injury, loss of income, emotional distress, death, loss of use, loss of value, adverse health effects, or any other effects. Any implied warranties, including warranty of fitness for a particular use, are hereby waived and disclaimed. This notice, disclosure and disclaimer agreement is hereby appended to and made part of the contract of sale and shall survive closing.
26. **HOME INSPECTION DISCLAIMER:** Creekside Homes, LLC has been building superior homes for more than 25 years. We adhere to the highest standards of quality which exceed the stringent building codes imposed by local government. Our homes are subjected to multiple inspections by certified government inspectors during each phase of the construction process. Third party home inspections are an unnecessary expense which sometimes cause confusion for the purchaser. For this reason, this contract is not contingent upon the results of a home inspection. If the buyer chooses to have a third party inspection, Creekside Homes will address any items of concern that are normal and customary. Any items beyond the scope and knowledge of the third party inspector will not be addressed. The buyer should rely on the knowledge and experience of the licensed professional contractor who built the home.
