February 2022 – Community Update

The University of Alberta (U of A) and the University of Alberta Properties Trust Inc. (UAPTI) is pleased to provide the February 2022 monthly update distributed through your community league regarding Michener Park (MP). The goal of this update is to keep our neighbours informed of what is currently taking place on the MP site. As a reminder, current site activities are the responsibility of the U of A and planning for the future development of the site is the responsibility of UAPTI.

U of A Protective Services (UAPS) patrols the MP site daily. We ask neighbours to please continue to call the EPS with general complaints at **780-423-4567** and emergency situations at **911**. We would also ask that neighbours continue to call University of Alberta Protective Services at **780-492-5050** regarding any suspicious activities.
