

PENNSYLVANIA ASSOCIATION OF BROADCASTERS

GOLD MEDAL HONOREES

The Pennsylvania Association of Broadcasters Gold Medal reflects the dramatic history and rich heritage of broadcast communications, much of which is rooted in the history of Pennsylvania. The PAB Gold Medal is awarded annually to a citizen of the Commonwealth who has excelled in the arts, communication, education, entertainment, industry, legislative public service, science, or sports.

As the oldest state broadcast association, PAB stands alone among the states with its tradition of recognizing outstanding citizens. Since 1966, Pennsylvania broadcasters have gathered in this annual salute to a Pennsylvanian who has distinguished himself or herself through significant contributions to the Commonwealth and to the nation.
