## **Catering Your Event**

Since our first ever outings as a London street food stall, catering parties, events and functions of all shapes and sizes have always been a big part of what we do. Our catering menus change seasonally and can always be adapted to suit your wants, needs and budget.

Please get in touch with us to discuss your event. Whether for home or work, sit-down dinners or serve-yourself buffets, we can cater for all events and parties.

We can also provide waiting staff, chefs and equipment hire, or you can just pick up the food (or have it delivered in a taxi) and do the serving yourself.

If you have any allergy concerns, dietary requirements or if there is anything else you'd like, please let us know and we will do our best to accommodate your needs.

Please give at least 48 hours' notice when placing an order. We may have to make slight adjustments for last-minute orders but, if you give us enough time, almost anything is possible!
