Your dollars in action. Lutheran Services of Georgia has been serving Georgia’s most vulnerable people since 1981. Each year we work with thousands of individuals and families, guiding them through four key points on the path to thriving: basic needs, stability and safety, community integration, and self-sufficiency.

BASIC NEEDS

6 Regional Offices

Serving 3,417 people annually

Provided 224,385 nights in safe homes last year

Last year, our team served 183 individuals with long-term recovery work and case management following natural disasters in Georgia.

STABILITY & SAFETY

1,220 families strengthened through evidence-based parent education and training

19,983 HOURS TRAINING CAREGIVERS TO CARE FOR CHILDREN AND INDIVIDUALS WITH DISABILITIES

"LUTHERAN SERVICES OF GEORGIA WAS A GODSEND."

They don’t just ‘talk the talk,’ they ‘walk the walk’ and are there for the long-term to assist in any way in the stressful hurricane recovery process. They gave us hope with volunteers, supplies, and resources to help us get back on our feet.
