Now Hiring: Project Leaders
Type: Part-time Seasonal
Term: October 2022- June 2023

Description

**Project Leaders** are young people who are developing a practice of teaching and project making. Beam Center partners with community based organizations during the school year that offer after school programming to elementary aged children that is taught by Project Leaders. This season’s after school program will be offered in-person at four different Brooklyn schools.

Project Leaders will facilitate classroom activities as part of a team. Project Leaders will lead icebreakers, games and hands-on projects that they designed themselves. They will coordinate with their team to plan classroom roles, teach and address students’ needs. Additionally, the Project Leaders maintain professional relationships with site staff, with the Project Leader team as a whole, and communicate with their teaching team outside of classroom hours when necessary.

**Desired Qualifications & Responsibilities**

- Experience or interest in using tools, designing projects from scratch and creating lesson plans
- Ability to creatively improvise, respond to classroom needs as they arise, and keep calm when things don't go as planned!
- Willing to collaborate with and support a diverse team.
- Organized and responsible, able to consistently arrive on time, with good communication around scheduling.
- Experience and passion for working with youth aged 8-14 in summer day camps or afterschool programs. Comfortable facilitating a room full of children!
- Independently motivated, productive, and resourceful.
- Has availability to work between 6-15 hours per week on weekday afternoons, and be on-site at various locations in Brooklyn from 2:30-6pm, beginning in October and continuing through June.

**Timeline**

- Hiring begins in mid-September.
- Full group meetings take place at Beam Center one day per week and availability to attend full group meetings is required.
- Afterschool programming takes place on a variety of weekday afternoons through the end of the school year - you will have some flexibility around which/how many additional days you work.

**Benefits**

- $15/hour with the opportunity for a yearly raise.
