Action Step Timeline:

MAY

- 1) Make contact with school principal for two things: 1) Discuss their wish list, 2) Remind them about ticket distribution in August, and suggest letting families know in June to be looking for.
- 2) Walk the school grounds to assess what is possible on the wish list. Under promise, over deliver.
- 3) Identify people with special skills in your church who can do projects at the school: painting, landscape, construction, power-washing, yellow line painting, etc.
- 4) Envision your church to “save the date” begin soft promotion, before vacation plans!

JUNE

- 1) Begin promotion and begin enlisting volunteers, show the video, have a sign up table after church, put in the bulletin, prepare for July offering. Our goal is to serve 3,000-3,500 kids.
- 2) Attend the next point person/quadrant meeting June
- 3) Announce that offering will be taken

JULY

- 1) Continue to recruit volunteers and supplies for the School Work Day & the Kids' Fair.
- 2) Take offering and turn in to One Hope by July 11, for backpacks and school supplies.

AUGUST

- 1) Organize volunteers for your work day into teams.
- 2) Make sure all **Kids' Fair** volunteers attend one of the Mandatory Meetings August 20.
- 3) Plan to attend a Point Person Quadrant Meeting, to be determined by your quadrant leader.
- 4) Check in with the school to see if they have received and distributed their Kids' Fair tickets.
THEN LET'S GO SERVE WITH JOY AND LOVE on August 25 and 26!!
