ENROLLMENT CONTRACT

I understand that I am registering myself/my child for the 2017/2018 season and am indebted for the specified tuition (see reverse) for the entire season from August 2017 through June 2018 (35 weeks of class) OR from this date _____, 20____ through June 2018, except as outlined in paragraphs one (1) through three (3) below.

- 1) I may withdraw myself/my child from class if I present **WRITTEN** notice of withdrawal **at least four (4) weeks prior** to the final class attended. I am responsible for up to 4 weeks of tuition from the date the written notice is received, regardless of whether or not I/my child attend classes. **NO REFUNDS OR CREDIT WILL BE GIVEN FOR CLASSES MISSED.** Should I choose to enroll myself/my child again at the Delaware Dance Company, I would be required to pay a new registration fee. I understand that my membership remains good for one year from payment regardless of whether or not I/my child is an active student with Delaware Dance Company.
- 2) I may withdraw myself/my child from the school due to permanent medical disability. I understand that I will not be responsible for any further tuition from the date that **WRITTEN** notice, presented with documentation from a doctor, is received at the studio. I will receive a refund for any paid classes remaining after the date the notice is received. I will not receive a refund for classes missed prior to the date the medical disability occurred. Should I choose to enroll myself/my child again at the Delaware Dance Company, I would be required to pay a new registration fee. I understand that my membership remains good for one year from payment regardless of whether or not I/my child is an active student with the Delaware Dance Company.
- 3) In cases of temporary medical disability, I/my child may make up the missed classes during school year upon my/my child's return. Classes should be made up as soon as possible and the scheduling of make-up classes is wholly my responsibility. I understand that **NO REFUNDS OR CREDIT WILL BE GIVEN FOR CLASSES MISSED** unless the temporary medical disability will cause me/my child to miss four (4) consecutive weeks or more of classes. If more than 4 weeks will be missed, a suspension of tuition may be granted for the missed period provided that documentation from a doctor is presented to show both the beginning of the disability period and clearance to return to class.

I understand that after my initial payment, tuition payments are due by the **fifteenth (15th)** of each month, **September** through **May**. **If my payment is not received before the first (1st) day of the following month, I understand that I may be charged a late penalty of 10% of my monthly payment.** I also understand that if my account is past due more than sixty (60) days, I/my child may be withheld from attending class until my account is made current.

I further understand that after the month of October, I/my child may **only add classes with the permission of the instructor**. **Dropping a class after October requires the same one (1) month WRITTEN notice as required for withdrawal from the school (see above).**

Delaware Dance Company 2017-2018 Fees and Tuition

- In addition to tuition, Delaware Dance Company charges two (2) fees for participating in classes. A yearly **membership fee** of \$25 per student or \$35 per family and a **registration fee** of \$15 per student are due at the time of registration.
 - The **membership fee** is good for one year and is active whether or not members remain in classes. Members receive special rates on classes and programs at DDC.
 - The **registration fee** lasts for as long as a student is continuously active. If a student withdraws and chooses later in the year to register again, a new \$15 fee would be charged.
- Tuition is based on total number of hours of dance class per week. Families with more than one child registered for class should add the total number of hours for all children enrolled in dance.
- To determine tuition, add together the hours of all classes in one week. Find the total number of hours in the “Hours” column. Tuition for the 35-week dance year is listed in the “Yearly” column.
- Tuition is collected in ten equal installments of the amount in the “Payment” column. The first installment is paid at registration, with the remaining nine (9) due on the 15th of the month, September through May. Accounts that are in arrears on the first day of the following month may have a late penalty added.
- For students over the age of 14 who wish to participate in our Teen/Adult Division, a Class Card for 10 hours of dance may be purchased for \$195. Full time college students may be eligible for a reduced rate of \$175.
- While we encourage the parents of students to take advantage of our classes, their class hours may not be combined with those of their children when determining tuition. Parents receive a 25% discount on tuition for their classes or may purchase a Class Card at the special rate of \$150 for 10 hours of class.
- Students who enroll after the third week of classes will have their tuition pro-rated for the number of weeks of class remaining. One full monthly payment is due at the time of registration and the registrant will receive by e-mail and/or in writing notification of the total tuition due and suggested payment dates. For example, students who join during the first week of January will be enrolled for 21 weeks of the 35-week year. Six payments will be required to cover the 21 weeks so that two (2) payments are due in January and one each month, February through May or one payment each month January through June.
