**OBJECTIVE:** I am seeking opportunities to expand my potential both in motion graphics and design, and to work with innovative teams to produce quality products and beautiful design.

**EDUCATION:** 2005-2011 San Jose State University - San Jose, CA

**DEGREE:** Bachelor of Fine Arts in Graphic Design

**QUALIFICATIONS:** I am a motion graphics artist with a strong background in graphic design. I communicate well, and I have an outgoing personality. I work well in groups and I'm always willing to push the envelope. I'm a quick learner, and I adapt well to new systems.

**EXPERIENCE:** **Synergis at Google, Inc. - 08/2016 - 11/2017**  
**Motion Designer, Android**  
Working with Android to perfect the user experience with thoughtful animation.

**J.P. Morgan Chase - 03/2016 - 08/2016**  
**Motion Graphic Designer**  
Work with the talented digital team at Chase to promote, improve, and enhance the rich experiences of their website and mobile app with design, motion graphics, and video.

**Freelance - 10/2015 - Present**  
**Freelance Motion/Graphic Designer**

**San Jose State University - 05/2014 - Present**  
**Guest Instructor - Motion Graphics**  
Teach animation applications and techniques to undergraduate graphic design students

**John McNeil Studio - 10/2011 - 10/2015**
