CINEMA YOU CONTROL

A new choice - watch instantly at home.

For nearly a century Curzon has pioneered ways to bring audiences uniquely curated access to a selection of award-winning, classic and contemporary independent films from around the world.

Wherever you are in the UK and Ireland, with Curzon Home Cinema

you now have the choice to watch the latest releases instantly in the comfort of your own home, the same day as they're out in cinemas. It's **free to register** and you **only pay for what you watch**, with prices starting at just £2.20.

There's also a 15% discount

available on all films for **Curzon cinema members**.

We invite you to indulge your curiosity, from undiscovered gems to exclusive new foreign-language releases. Simply sign up to our newsletter and we will make sure that you always stay up-to-date. 

SAME DAY RELEASES

Watch new films **instantly at home** as they're released in cinemas.

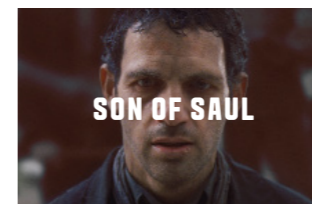

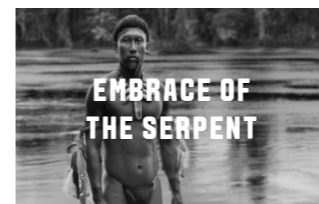

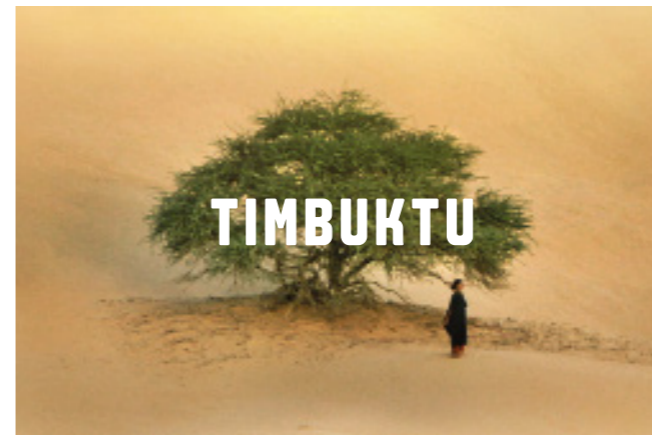

Curzon has been a champion of new film since 1934 and we're passionate about making the highest quality independent films available where, when, and however an audience wants.

When you can't make it to the cinema then you can rely on

Curzon to **bring the cinema to you!** At Curzon Home Cinema we continually make brand new films available to watch wherever you are, the very same day as their cinema release.*

Our relationship with pioneering arthouse distributor

Curzon Artificial Eye means exceptional award-winning titles such as Mia Hansen-Løve's poetic drama **Things To Come**, and stylish Argentinian thriller **The Clan**, are **exclusively** available only with us, before they're available anywhere else.

COLLECTIONS

Discover our **exclusive collections**.

As part of Britain's leading independent cinema group we pride ourselves on the quality of the films we show all of which are programmed by our team of expert film fans who eat, sleep and breathe film. To guide you through the ever-growing world of content,

our team selects from our treasure trove of contemporary gems and dusts off forgotten classics to reveal exclusive Collections that you won't find anywhere else.

Take in the superb '**The Curzon Artificial Eye 40th Anniversary Collection**', capture the very best in

foreign-language cinema with our exclusive '**Cannes Palme d'Or Winners Collection**', or immerse yourself in one of the favourite films of our guest curators like celebrated director **Peter Strickland** or legendary producer **Michael Deeley**.

ACCESS. ANYWHERE

Access Curzon cinema **anywhere and anytime.**

Curzonhomecinema.com and the Curzon Home Cinema TV app have been created in order to offer you an extraordinary cinematic experience at home, and we want you to be able to access our inspiring film collection across

as many devices as possible: TV, desktop, laptop, tablet and mobile.

It's important to us that you can continue to enjoy your selections on the go. We've created a mobile and tablet app called **Curzon Player**; download it

from Apple App Store and Google Play. The app acts as your personal library of independent films, so once you've purchased a film to watch via the website or TV app, you can watch it anytime, anywhere! 

STEP-BY-STEP GUIDE TO USING CURZON HOME CINEMA

@CurzonAtHome you have way too many good films to watch... not that I'm complaining...:-)

@didgiwidgi

@CurzonAtHome is way better than @Netflix

@AlexGuest

Held me upside-down by my ankles until I heard the loose change fall from my pockets! Highly Recommended! ★★★★★

Wild Tales - @JohnW

Compelling story with wit, pathos, superb acting, amazing cinematography and set against bleak icelandic backdrops.

Highly Recommended! ★★★★★

Rams - @Robbie B

Enamoured with @CurzonCinemas

@CurzonAtHome. This whole membership business is the best! A fourth film today ? :)
