

# Discussion group

## Join us for our February meeting!

Generations After - descendants of Holocaust survivors in Greater Phoenix, hosts a discussion group for children (2G) and grandchildren (3G) of Holocaust survivors who wish to share their family Holocaust stories and the impact on their own lives. Following the speakers, there is open discussion facilitated by Dr. Phyllis Palm, a retired psychologist from New York City, where she also taught and consulted with the Jewish Board of Family and Children’s Services. Dr. Palm is also the daughter and granddaughter of Holocaust survivors.

Our theme in 2015-16, is to talk about how being a 2G or a 3G has influenced our lives, our choice of professions, our families and our views as well as our actions about social justice.

The discussion group is only for children and grandchildren of Holocaust survivors. It is held the first Wednesday of each month at the Ina Levine Jewish Community Campus. Meetings are free and light refreshments are served.
