CONGRESO INTERNACIONAL
DE ECOLOGÍA INTEGRAL Y MEDIO AMBIENTE

EN HOMENAJE AL PAPA *Francisco*

— UCAM —

1. **Economy, Justice and Politics**

1.1 Social Responsibility and Social Economy, which would include topics such as: Social Economy and CSR as an element for local development, entrepreneurship and leadership in the Social Economy, Strategic Management of Social Economy Enterprises and CSR, Organization and Government in Social Economy and CSR.

1.2 Environmental and Business Economics, which include topics such as: Tourism Companies and Environment, Finance and Environment; Marketing and Environment.

1.3 Policy, Environment and Legislation. It include topics such as: Environment Political Instrumentalization, Environmental Economic Valuation, Environmental legislation

At this point, it is interesting to recover the meaning and scope of the values and principles as a framework of rules governing the interconnection between man and nature.

Revise which are the foundations of environmental protection from the Legitimate Law, and reflect on the meaning of a humanly transcendent Right to environment, which must be ecologically balanced and economically sustainable.
