

AGREEMENT AND RULING – ESPORTS GAMING

- Players must be over the age of 13 years - birth certificate evidence is required.
- Each player must use one account and one account only, that account will be registered and will be the only one the player can use on the day of the event.
- Each team must have an established discord account during the start of the competition.
- Each team are allowed to have one substitute which has to be confirmed and registered at the start of the event (registration phase week 1); and must be confirmed with the team captain and game admin of the day. A substitute must pay the weekly individual fee when required to be the substitute.
- Substitute must play and abide by all the previous rules in order to participate in the tournament.
- Players agree to have their photos taken throughout the event and when the prize is claimed. These photos will be made available to public and social media.
- Each player must take into account the responsibility of their items.
- The Simulation Centre will not be held responsible for any damage and issue towards player's PCs in any way.
- Each player has taken into account that by bringing their PC all issues that will happen to that PC is the PLAYER'S responsibility.
- Each player must understand that it is a competitive environment.
- Foul language, offensive remarks, abuse or bullying behaviour will not be tolerated.
- Damage to any property belonging to The Simulation Centre will require reimbursement from the player.
- The Simulation Centre Managers and Staff have the underwriting power to make formal decisions to ensure that the game play is fair and that all rules are being complied by.
