Why you should consider upgrading to or start using the NEW Constant Contact Toolkit

The new Toolkit comes with all your marketing needs – under one roof! Create your **mobile ready emails**, combine them with **Facebook** promotions and **Social Media**, attach any upcoming **events** with their own landing pages, offer **coupons**, set up **Local Deals**, or request **donations**, then perhaps throw in a follow up **survey** to gauge how you did with your customers, with **end-to-end reporting for your results**, and Bingo! You’ve just saved so much time with **everything bundled into one login access**.

Order your **new account** or **FREE 60 Day Trial** today at [Constant Contact](#). For Upgrades, [email me](#)/call me (305-672-3373) with questions or to manage your upgrade. I will require your user name and password. [See PRICING TIER FEES BREAKDOWN BELOW](#).
