

WATFORD WORD

Survey

We're 6 months in to our existence as a church! Please fill in the survey form so that we can consider which adjustments to make, if any. If you have not received a copy, please email me and I will send you one. mccx@mac.com

Missions

Thank you to everyone who's been so generous in giving to missions for the Indian subcontinent the UK and Ireland. If you need more information, please contact Bronwen our treasurer. The preferable place to do our giving is online at www.iccmisions.org. More can be found on the missions handout on our Facebook page.

Tear-Drop Signs

A special "thank you" must go to Leon and Barry for designing and ensuring the completion of our new church teardrop signs that stand outside our Sunday service venue. They look really smart and professional!

July

Sundays in July will continue to be held at Laurence Haines School school at 10.30am. That's all except 10 July, which is a London service day.

We'll continue to work our way through the gospel of Luke, focusing on chapters 10 & 11.
