

## NUCC Ministry Description For UCC Opportunities

Northshore UCC (NUCC) is located in Woodinville, WA, by the foothills of the Cascade Mountains and 17 miles from downtown Seattle. We are a welcoming, O and A congregation of energetic and passionate people with a strong focus on social justice, Christian education and community outreach. NUCC is seeking a ¾ time pastor who will continue to ground us in our Christian faith, connecting the stories of the bible to our lives today; inspiring us to deepen our commitment to live out the call to be God's hands, feet, heart and soul in the world today. NUCC is seeking a pastor who will work with us in our ongoing programs and activities and our growing Christian Education program, while also guiding and inspiring us in new ways of being and action. We share the gospel through music with a vibrant choir and a variety of special music. NUCC has a dedicated lay leadership and is committed to working together to continue building a loving, caring, fun-filled faith family. We invite our new pastor to come challenge, engage, collaborate, grow and celebrate with us.
