

ADOPT A MATTRESS

One of the joys of going off to summer camp or to a weekend retreat is the assurance of a restful night's sleep – that takes a good mattress! Both Pilgrim Firs and N-Sid-Sen need to replace most of their mattresses. That's approximately 300 of them! We need your support to make this a reality.

The total cost of the project is \$75,000. We have already received a number of commitments from campers to 'adopt a mattress' with a commitment of \$250.00. Of course, any amount of financial support for this project is gratefully appreciated.

To make a tax-deductible financial contribution, please feel free to use one of the following options:

1. Checks payable to Pacific Northwest Conference (PNC) with memo line notation, 'camp mattress'; checks can be mailed to the conference office, 325 N 125th St, Seattle, WA 98133
2. Online contribution with credit card: www.pncucc.org Once you are on the website, use the 'donate now' button and enter your donation in the 'other' field with 'mattress' in the description.
3. Drop off a check at either of the camps when you are there!

This next year we will be dreaming even bigger dreams of a capital campaign that will fund some great projects for both camps. Here's a snapshot:

N Sid Sen: construction of pedestrian paths under Highway 97, construction of lodge-style year-round housing for older guests, relocating the manager's residence to the North Cove area

Pilgrim Firs: creation of RV sites, improved staff housing, construction of program and performing arts building, acquisition of additional acreage.

It is our hope and prayer that each of you will assist us in making this project a reality!
