

The Sunnyslope Church is located in Wenatchee, WA on the sunny slope just north of the confluence of the Wenatchee and Columbia rivers. The church was founded by Church of the Brethren farmers and orchardists who followed the railroad west in the early 1900's. For the past 30 years the church has been aligned with both the Church of the Brethren and the UCC. We are an Open and Affirming congregation of predominately older adults pleased to find that almost every Sunday there are enough children present for a children's story in the service. We are seeking a half-time pastor to accompany us on the journey. The church is willing to work with an applicant to structure the half-time position to accommodate the "other half" of the applicant's responsibilities. We are looking for someone willing to honor both traditions (UCC and COB), to challenge us to grow in grace and knowledge, to help us keep our focus on serving our community.
