

Notes from Arlene

Every year right after Annual Meeting, the sound most heard in the conference office is the clicking of my keyboard as I update our Directory with the names and contact information of the individuals recently elected to serve on a conference committee.

It doesn't stop there either. I check with our local churches, clergy, members in discernment...pretty much everyone who is in the directory, either by calling, emailing, or researching on the internet. There is the occasional letter sent when needed.

We do not post much of the directory online due to the personal addresses, phone numbers, and emails. I will be sending it out attached to an email very soon. If you need a hard copy, please let me know.

If you notice incorrect information, it's never too late to contact me so that everything is up-to-date. Throughout the year, I make updates to keep it as current as possible

I rely on you to let the conference office know when your information needs to be updated. So please, don't leave us out. We want to keep in contact with you!

For updates or corrections, I can be reached at 206-725-8383 ext. 1, and pnccc@gmail.com. And if you're ever in the neighborhood, please feel free to drop by the office at 325 N 125th Street.

Many thanks to all of you involved in the work of the conference.

You *are* the conference!
