

A Gathering of the Beloved Community at N-Sid-Sen

***September 29, 30, and October 1, 2017
Answering God's call in this season,***

We invite you to bring yourselves, your fellow church members and community leaders to a conference-wide gathering crafted to give you and your church tools, encouragement, and inspiration.

Programing will include special opportunities for each of our church communities to learn from one another and share best practices in: Faith Education, Worship, and Justice. We will gather in affinity groups around: church roles of Moderator, Treasurer, Pastoral care, Music, and Spiritual Formation. Our Conference Staff will share with us from their expertise.

We are delighted that the Rev. Courtney Stange-Tregear, our Minister for Church Vitality, will be keynote speaker and discussion leader. Please register on-line today (<http://bit.ly/2jpkMdG>) and join us.
