

## MINISTRY VACANCY IN SOUTHERN SASKATCHEWAN, CANADA

Lafleche – Limerick Pastoral Charge, in Saskatchewan Conference of the United Church of Canada, is searching for a full time minister for our two congregations. The neighboring communities of Lafleche and Limerick are small, rural, and welcoming. We are located in south central Saskatchewan, about one hour north of the USA – Canada border and the state of Montana. Our landscape consists of beautiful rolling farmland and friendly prairie towns. Urban experiences are a two hour drive away on excellent highways. Saskatchewan is known as the “Land of Living Skies”; peace and quiet abounds.

We are seeking to make contact with a minister from the United Church of Christ who may wish to consider a move to Canada to continue his/her pastoral career within the United Church of Canada. We are calling an ordained, diaconal, or designated lay minister; a part-time applicant could be considered.

If you have questions about life or ministry here, please contact us. We would be happy to send our Joint Needs Assessment Committee (JNAC) report upon request, outlining details about this opportunity. Please prayerfully consider Lafleche-Limerick Pastoral Charge as a place to live out your ministry journey. Blessings!
