

Thanks for your (lower back) support!

The Fund a Mattress campaign was a success! Maybe not by all measures, but by the one that matters most: we now have entirely new mattresses at Pilgrim Firs Camp and Conference Center and at N-Sid-Sen Camp and Retreat Center. Originally, it was estimated that \$75,000 would be needed for this project. However, due to exceptional bargain hunting by our esteemed camp directors, we were able to replace all of the mattresses for \$25,000. Coincidentally, or possibly divinely, this was almost exactly what was raised!

Our two camps are a vital resource to our church communities, and they provide a great retreat space for other groups in the wider community as well. This was reflected in the donations, which were given by not only church members but also by others who use and love the camps. Thanks again to all who contributed.
