

## A CAMPAIGN TO SIGN THE KOREA PEACE TREATY PETITION

As tensions continue to rise on the Korean Peninsula, our global ministries partners with the Presbyterian Church in the Republic of Korea (PROK) are asking for continued prayers for peace and that we stand in solidarity with them as they live through this emotional time of intense concern. The Pacific Northwest Conference of the United Church of Christ and the Northwest Region of the Christian Church Disciples of Christ has had a long relationship and partnership with the churches of the Seoul East Presbytery of the PROK since 1993. We have a history of worshipping together, praying together and being in fellowship together. The PROK along with the National Council of Churches in Korea (NCCCK) feel the most effective method toward achieving lasting peace on the Peninsula is to replace the Korean Armistice that ended active hostilities more than 70 years ago, with a lasting Peace Treaty. To that end, the PROK and the NCCCK are seeking support for their international campaign for a Korea Peace Treaty. They are encouraging people across the world to sign their online petition at [www.KoreaPeaceTreaty.com](http://www.KoreaPeaceTreaty.com)
