

Personal Summary

I am interested in working with a progressive practice that shares my values in creating architecture that is contextual, functional, socially responsible, technologically innovative, and culturally sensitive.

I have a strong appreciation for architecture that is contemplative with great proportions and traditional materials.

Awards

KPF Traveling Fellowship

2007

Each year, Kohn Pedersen Fox presents three \$10,000 awards to students who are in their penultimate year at one of the twenty-three design schools with whom KPF has chosen to partner. The goal of the award is to allow students to broaden their education through a summer of travel before their final year of graduate school.
