The annual meeting of the Friends of the Hammock will be held on Thursday, January 24, 2013 at 7:00 PM in the Elliott Room, Dunedin Community, 1920 Pinehurst Road, Dunedin.

The featured speaker will be Jerry Fletcher, an active volunteer with the Florida Bat Conservancy. He specializes in bat rehabilitation and will bring a bat or two to show that they are not the feared creatures of the night from old horror films. He will expose the myths surrounding these ecologically important animals and allow the audience to interact with them. His timely presentation coincides with the upcoming Eagle Scout project to put bat houses in the Hammock. Please plan to attend and bring a friend. Refreshments will be served.
