We have received the application or petition ("your case") listed above. This notice only shows that your case was filed on the "Received Date" listed above. It does NOT grant you any immigration status or immigration benefit, and it is not evidence that your case is still pending. We will notify you in writing when we make a decision on your case or if we need additional information.

Please save this and any other notices about your case for your records. You should also keep copies of anything you send us, as well as proof of delivery. Have these records available when you contact us about your case.

If any of the above information is incorrect or you have any questions about the status of your case, please call the USCIS National Customer Service Center (NCSC) at 1-800-375-5283 or visit the USCIS website at www.uscis.gov (if you are hearing impaired, the NCSC TDD number is 1-800-767-1833). Processing time - Processing times vary by case type. Go to www.uscis.gov to see the current processing times listed by case type and office.

- View your case status on our website's Case Status Online page.
- You can also sign up to receive free email updates as we process your case.
- Most of the time your case is pending, the process status will not change. This is because we are working on cases that were filed before your case.
- When we make a decision on your case or if we need something from you, we will notify you by mail and update our systems.
- If you do not receive an initial decision or update from us within our current processing time, contact the NCSC at 1-800-375-5283 or visit our website at www.uscis.gov.

Biometrics - We require biometrics (fingerprints, a photo, and a signature) for some types of cases. If we need biometrics from you, we will send you a SEPARATE appointment notice with a specific date, time and place for you to go to a USCIS Application Support Center (ASC) for biometrics processing. You must wait for that separate appointment notice and take it (NOT this receipt notice) to your ASC appointment along with your photo identification. Acceptable kinds of photo identification are:

- A passport or national photo ID issued by your country,
- A driver's license,
- A military photo ID, or
- A state-issued photo ID card.

If you receive more than one ASC appointment notice (even for different cases), take them both to the first appointment date.

If your address changes - If your mailing address changes while your case is pending, please update your address with us using the Online Change of Address option at www.uscis.gov or by calling the NCSC at 1-800-375-5283. Otherwise, you might not receive notices about this case.

Return of Original Documents - Use Form G-884 to request the return of original documents submitted to establish eligibility for an immigration or citizenship benefit. You only need to submit one Form G-884 if you are requesting multiple documents contained in a single USCIS file. However, if the requested documentation is in more than one USCIS file, you must submit a separate request for each file. (For example: If you wish to obtain your mother's birth certificate and your parents' marriage certificate, both of which are in the USCIS file that pertains to her, submit one Form G-884 with your mother's information.)
