

Goodbye Is Not For Good
Scott Davis & Carl Cartee

VERSE

Season come and seasons go
Nothing stays the same
Calendar is constantly changing everything
It's been a year since you've been gone
But I still see your face
Waiting there for me, in a better place

CHORUS

Goodbye is not for good
It's only temporary
This life, goes by fast
It's so momentary
Right now it feels like it's the end
But I know I'll see you again
That the only reason why
I can say...goodbye

VERSE

Boxes filled with photographs
Take me back in time
I can't relive those memories
but heaven knows I try
picturing the moment when
I hear you say hello
Will I laugh or cry. I'll probably do both

BRIDGE

It's been so hard let you go
That's why I'm holding to the hope
To the promise, that it won't be very long

Let It Be Love

Sarah Hart/ Carl Cartee

VERSE 1

What do you give to a world that has everything
What do you say to the one who's heard it all
Dosen't want and answer
Dosen't need another empty phrase
It only needs a hand that reaches through the fall
I want to be the hand that reaches through the fall

CHORUS

Let it be love that I speak
Let it be love that I breathe
Let it be everything I give and take away
Let I be love where I stand
Let it be love that I am
Let it be everything I give and take away

VERSE 2

What do you give for the man who gave everything
How do you speak for the one who said it all
Lay your self down at the foot of the cross and walk away
Run to the world with a wide open heart

BRIDGE

Gain my soul, loose this world
Let it be all I want to do
Die to live, live to love
Till all that's left of me is you

Miraculous God (Byrd/Cartee/Hart) (02/05/09)

**Hear the melody rise from the mountains
Hear the rivers and hills sing along
In the wind is the voice of creation
Miraculous God, miraculous God**

**See the trees that are reaching up for you
See the skies overflow with the sun
All the earth is alive to adore you
Miraculous God**

**All the world is your name
It sings you among us again and again
And all this world is your life
Breathing into us, oh
You are Miraculous God**

All the world echoes your name
It sings you among us again and again
And all the world is your life
Breathing into us, oh
You are Miraculous God

**We will praise you without inhibition
Let it flow from the heart of us all
From these lives that you formed in your image
Miraculous God**

**So let the earth sing and the skies open wide
And your people rejoice in the marvelous light
Of the Lord of all glory all life and all love
Miraculous, miraculous**
