JOIN US IN READING THE BIBLE IN 2018!

Praise & Worship is going to read the entire Bible in 2018...together! Weekly guides, videos and gatherings will all be combined to help us walk through the entire Story of Jesus, from Genesis to Revelation! By doing this together we will discover that this is not a daunting task, but a freeing journey!

Take note that some will come on board at different times, so all of our guides, videos and studies will be available online. Have any friends or family who might want to participate? Pray about inviting them, even if they can only join us virtually via the online tools.
