

THE LION OF JUDAH

REVELATION 4-5

HIS PROMISES

Revelation 4:3-5 || Pointing the reader back to God's promise to Noah, the rainbow encircles the throne! *The Rainbow is a reminder of His Promises!* His promise of Love! Grace! Mercy! Peace! Restoration! Look to the clouds for His Rainbow!

The Seven Spirits of God is a way of describing the Person and Work of The Holy Spirit. Notice how The Spirit proceeds from the Father (Revelation 4:5) and the Son (Revelation 5:6).

HIS GLORY & POWER & NATURE

Revelation 4:11, 5:4-5 || God is God because He is Creator. He is not created. This is what makes Him WORTHY to receive glory and honor and power.

The Lion of Judah has triumphed! The Lion IS the Lamb. He is worthy and He is able.

Revelation 5:6, 9-10 || The Seven Spirits also proceed from the Lamb, who is standing at the center of the throne. He is worthy because not only is He the Creator, He purchased us with His blood! Through this He has made us a kingdom, He has made us priests!

Remember: wherever the King is, that's where the Kingdom is! *Christ lives in you!* And you now represent Him to the world! Join Him in spreading love and hope to all people! One day you also will be singing in that throne room...
