

In front of you is the most extensive wine list in North East Florida. If you like wine, you came to the right place!

We take pride in our list, which consists of over 400 selections. Tim Bartlett, our general manager, my wife Vivian and I have invested a great deal of time, travel and effort to compose a list with wines ranging from affordable and accessible to the more sophisticated and often hard to find.

You may notice that Vivian loves her bubbly and big Italians (wines, that is), Tim is always in the mood for a great California Cabernet or powerful Shiraz and Bernard's palate seems to be in "happy land" whenever it is graced by a great Pinot Noir.

Cap's has received continuous Wine Spectator 's "Award of Excellence" since 2006. This award recognizes the variety of choice and the fair pricing of our list. Our unique and customer friendly mark up policy (\$25 over our cost in most cases) is well below what you would normally find in a restaurant. The higher the bottle price, the more likely it is to find a wine on our list that is less expensive than at the retail store! So at Cap's it is affordable to drink an "expensive" bottle and affordable enough to be daring and try a new wine!

Due to our high sales volume, vintages in this list do not always correspond with what is in our cellar. Please check the vintage on the label on the bottle upon presentation, if you are looking for a specific vintage.

Remember, the only thing that matters is your taste and hopefully you will add Cap's on the Water to your list of great wine destinations.

Cheers!

Vivian, Tim and Bernard

We charge a \$25 corkage fee. The corkage fee is waived when you purchase a bottle of our list.

### Our House Champagne

At Cap's on the Water, we proudly pour Contratto Millesimato Brut 2009 as our house champagne. Of course, those pesky French forbid you to call anything champagne, when it is not made in the Champagne region of France."

The historic cathedral cellars at Contratto, now designated a UNESCO Heritage Site, are a real treasure, and among the finest of their kind. These huge underground cellars, covering more than 5,000 square meters, were built into the heart of the hill that protects the small town of Canelli, excavated from tuff limestone to a depth of 32 meters. The project took three years of manual work to finish. The cellars maintain a constant annual temperature of 12 to 13 C degrees and sufficient natural humidity, an ideal environment for bottle fermentation and the slow and steady bottle maturation of "metodo clasico" sparkling-wines. This is the identical method used by the French to make champagne.

Founded in 1867, Contratto is the oldest champagne house in Italy. In the 1930's it was the Contratto bubbles that were requested by the Vatican and the royal houses of Europe. In fact, the wines were exported to the far corners of the British Empire to be enjoyed by the ambassadors and governors. Giorgio Rivetti, of La Spinetta fame, purchased the winery in 2011.

Sometimes French champagnes can be a bit heavy on yeast and leave you feeling dry and thirsty. Contratto is also a dry (brut) champagne, but it is more fruit forward, which makes it more elegant and easier to drink. It is a refreshing way to start your meal or drink it because it is always time for good bubbly!

The 2009 vintage is made with 80% Pinot Noir and 20% Chardonnay grapes. It is aged for 30 months on yeast in the bottle and has an alcohol percentage of 12.5%

Glass \$9.99 / Bottle \$39
