

Doug Fir District Day Camp

June 26-30, 2017

Roseburg Rod & Gun Club

Thank you for registering to attend the Doug Fir District Day Camp! We are very excited to have your son attend this year!!

Remember - Your registration is not complete until your son's health form has been fully filled out and returned to the Scout Office. (**HEALTH FORMS must be completed and returned in advance of camp.** A copy of your health insurance card is NOT necessary)

Camp is held at the Roseburg Rod & Gun Club, 875 Old Del Rio Road, Roseburg, OR 97471. We start camp each morning at 8:45am and end at 3:00pm.

We **strongly recommend** that you arrive early for the first day, Monday, June 26, as **ALL** boys must be individually checked in. This is a somewhat lengthy process, so we will be available to begin the check-in process at 8:00am Monday morning.

ONE ADULT LEADER IS REQUIRED FOR EVERY 5 BOYS IN CAMP

Please check with your pack to ensure that appropriate adult supervision is provided. We also love Boy Scout help!! Adult registrations can also be completed at www.otcbsa.org/daycamp. All adults and Boy Scout helpers who will be in camp **must** complete both a registration and health form.

All boys **must** be signed in and out of camp each day by their parent, guardian or approved party. If a person other than a parent will be picking your son up from camp, we **must** have written authorization. Please also inform us if your son will miss a day of camp.

On Monday, each boy will receive a camp T-shirt, water bottle and backpack for use during the week. NO OPEN-TOED shoes are allowed.

Boys should bring a sack lunch, water, and possibly a snack each day. We are unable to provide coolers, so please plan accordingly.

If you have any questions or concerns, please contact me.

Informed Consent, Release Agreement, and Authorization

I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information about those activities may be obtained from the venue, activity coordinators, or your local council. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct.

In case of an emergency involving me or my child, I understand that efforts will be made to contact the individual listed as the emergency contact person by the medical provider and/or adult leader. In the event that this person cannot be reached, permission is hereby given to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for me or my child. Medical providers are authorized to disclose protected health information to the adult in charge, camp medical staff, camp management, and/or any physician or health-care provider involved in providing medical care to the participant. Protected Health Information/Confidential Health Information (PHI/CHI) under the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. §§160.103, 164.501, etc. seq., as amended from time to time, includes examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of the participant's ability to continue in the program activities.

(If applicable) I have carefully considered the risk involved and hereby give my informed consent for my child to participate in all activities offered in the program. I further authorize the sharing of the information on this form with any BSA volunteers or professionals who need to know of medical conditions that may require special consideration in conducting Scouting activities.

With appreciation of the dangers and risks associated with programs and activities, on my own behalf and/or on behalf of my child, I hereby fully and completely release and waive any and all claims for personal injury, death, or loss that may arise against the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with any program or activity.

I also hereby assign and grant to the local council and the Boy Scouts of America, as well as their authorized representatives, the right and permission to use and publish the photographs/film/videotapes/electronic representations and/or sound recordings made of me or my child at all Scouting activities, and I hereby release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all liability from such use and publication. I further authorize the reproduction, sale, copyright, exhibit, broadcast, electronic storage, and/or distribution of said photographs/film/videotapes/electronic representations and/or sound recordings without limitation at the discretion of the BSA, and I specifically waive any right to any compensation I may have for any of the foregoing.

NOTE: Due to the nature of programs and activities, the Boy Scouts of America and local councils cannot continually monitor compliance of program participants or any limitations imposed upon them by parents or medical providers. However, so that leaders can be as familiar as possible with any limitations, list any restrictions imposed on a child participant in connection with programs or activities below.

List participant restrictions, if any: None

I understand that, if any information I/we have provided is found to be inaccurate, it may limit and/or eliminate the opportunity for participation in any event or activity. If I am participating at Philmont, Philmont Training Center, Northern Tier, Florida Sea Base, or the Summit Bechtel Reserve, I have also read and understand the supplemental risk advisories, including height and weight requirements and restrictions, and understand that the participant will not be allowed to participate in applicable high-adventure programs if those requirements are not met. The participant has permission to engage in all high-adventure activities described, except as specifically noted by me or the health-care provider. If the participant is under the age of 18, a parent or guardian's signature is required.
