

K&A Website Development Team

MARKETING PROJECTS

Luke Raithel

MARKETING & SOCIAL MEDIA

Luke Raithel has been with K&A for 6 years. Luke's expertise is in market research using primary and secondary research methodologies. At K&A, Luke has been involved with market communications and research projects involving air pollution control equipment for power plants, boilers, turbines, and generator control technologies. His research has also extended into the field of coal mining in the United States and abroad as well as bulk material handling.

He has created marketing deliverables for air preheater seals and selective catalytic reduction (SCR) catalysts. Additionally, Luke aided in the establishment of Krishnan and Associates' new video conferencing center in their Stamford, CT office. Luke has a BS degree in Marketing from Bentley University.
